Temptation: The Solitary Tales, Book 3

Synopsis

His fear will soon turn to rebellion...Chris Buckley no longer wonders what kind of town he's living in. He no longer tries to pierce its darkness. He no longer questions his role in its mysteries. He makes a new choice: he runs. What he doesn't realize is that he's running the wrong way - and is very close to being beyond any choices at all. As a reluctant student at Harrington High's summer school, Chris meets a fun-loving senior girl who offers a welcome diversion from the darkness of his past. Chris soon decides life can be enjoyable after all. But when the new school year starts, he must deal with the consequences of turning from the truth. The third audio book in the Solitary Tales, Temptation follows the soul-wrenching twists of Chris's journey as he heads straight into a darkness that threatens all he loves.
