Esther: It's Tough Being A Woman

Synopsis

Esther: It's Tough Being a Woman by Beth Moore provides a personal study experience five days a week plus viewer guides for the group video sessions of this in-depth women's Bible study of Esther - a profile in courage. Join Beth in a very personal examination of this great story of threat and deliverance as she peels back the layers of history and shows how very contemporary and applicable the story of Esther is to our lives today. If you've ever felt inadequate, threatened, or pushed into situations that seemed overpowering, this is the Bible study for you. Just as it was tough being a woman in Esther's day, it's tough today. This portion of God's Word contains treasures to aid us in our hurried, harried, and pressured lives. Below chapters are present inside the book: 9 weeks of personal interactive study for five days a week Viewer guide for use with the DVD teaching sessions Hamantashen (Haman's Ears) Cookie Recipe PURIM Record Chart

Customer Reviews

This is the third Beth Moore group Bible study I have done. I have gotten SO MUCH out of each one. This one is particularly great because Esther is such a small book and so she is really able to go for depth and focus on a few small verses a day. While I've read the book before, I never would have imagined so much was contained in its few short pages. I highly recommend this study for anyone wanting to dig deeper into the Word and get inspired. This is a great study for beginners as well as for those who've already been through the Bible a time or two. Meaty and profound, but at the same time accessible and relevant. The study sessions for this are also available for purchase

and download online, so my group found it a lot cheaper to buy our own member books and download the videos rather than purchasing the DVD kit. Awesome!

My women's group is finishing up this Bible Study. It is excellent! The way Beth Moore writes her workbooks is great. She gives you so much rich historical background and also challenges you for today. If I read the book of Esther just on my own from the Bible, I would have missed so much history of those days that explains even more how amazing Esther was and how God's hand is in everything. As we are going through this material week after week, Beth Moore tells it so I see a motion picture vividly in my mind. I would highly recommend this study. Sherri

I really like how this study is set up. You learn a lot and it's great stuff but I was disappointed to find out you have to pay to see the online videos which are necessary to complete the book. :(

I am loving this study from Beth Moore and did download the personal video feeds (one time use) from Lifeway too. Excellent study that will challenge you.

Very disappointed in this Beth Moore study. It seemed that the Book of Esther was too short for a full study, and thus it dragged on and on and on. And yet, instead of dwelling on the climactic celebration at the end, it was glossed over and rushed through. I participated in the study with a group of women and most of the others seemed to greatly enjoy it, so my dislike of it may just be me! The videos were not just off-topic, but off target as well, putting too much emphasis on darker issues and the enemy rather than uplifting women through God's Word. They just seemed to be motivational and attack issues that most women have already learned to deal with by focusing on God (an idea presented as new and original). While I agree that it is important to apply scripture to one's own life, this workbook asks you to focus on expressions of the characters faces, how they stood, what they may have said in exasperation, etc. The homework questions were so frustrating that I found myself leaving most of them blank. Unfortunately, this study did not live up to the high expectations I had for it.

I have done this study and so glad to see in on cd. I plan on reviewing the study on Esther as soon as I get it in the mail!!! Not many things have really turned me around in my life but this study has. I would highly recommend this study especially if you are going through some really tough times in your life. It is a Bible study like no other. I have never seen such an in depth study of Esther before

or things you can learn from this precious and my favorite book of the Bible. Session 4!!!! What can I say about session 4 other than it stopped me from going into a deep pit of despair. I have the victory in Christ because of this study so thoroughly researched and bathed in prayer by the staff of Beth Moore and herself. You will feel it as you study. You will be extremely excited week after week. And do take a week for each with the study manual because there is sooo much to take in. Thank You Beth Moore for an excellent job!!!

I did this study with a group this winter/spring and it was so wonderful that I am leading another study again, this time with people who are searching and curious. It is a great study for new believers and those who've done the study before. There is always room for more knowledge. As always, Beth Moore has been touched by the Holy Spirit and does an amazing job!

This is another great study by Beth Moore. She has really done a good job researching for this book. It is especially fun that her daughters helped her with it this time. I have appreciated the personal application from each lesson. One thing that detracts from the book is the missing references for footnotes. Supposedly, these are available from online, but I haven't been able to find them. Most don't matter to me, but it would be nice to know who the quotes are from.
