## Customer Reviews

A key pick is Sarah V. Mackenzie and G. Calvin Mackenzie's NOW WHAT? CONFRONTING AND RESOLVING ETHICAL QUESTIONS: A HANDBOOK FOR TEACHERS. Real-life case studies offer a volume that examines the relationship between ethics and school success, considering the role of teachers in developing ethical policies for their schools and considering how inter-relationships are affected by the school's structure. A thought-provoking piece, this examines working relationships throughout the system.

This blanket is very soft and very good quality. This is an awesome item and was a Christmas gift that she loved. Thanks
