## **Customer Reviews**

I ordered books 5-8 in this series after purchasing and liking the first 4. Unfortunately these books seem to be geared to an older audience. Book 7 in particular, deals with issues of weight loss, wanting to be thin, and modeling. While the character in this book makes the right decision in the end and realizes that God made her perfect, I don't want to even put these ideas into my child's head. I will probably hold onto this set of books and may give it to my daughters when they are a little bit older. My oldest is an avid reader and is 7.

It is an awesome book if you're into these things or you just like to read about sports. I loved it.

I bought this book for my granddaughter. I enjoy what Beverly Lewis writes & have started buying for her. I have bought other books for her written by Beverly Lewis also.

One of the best books ever!!! But.. I would recommend to read the first four books first though!!! Beverly Lewis did a very good job with these books!! Thank you!!

ok book for a 3 grader . hard words to understand and dictionary is not good . the book is great !!
