Customer Reviews

I have read all of John Green's books and gave all of them (with the exception of *Will Grayson*, *Will Grayson*) to a friend so that I could have an excuse to purchase this set. Hint to all Nerdfighters: Take the dust jackets off and look at the books without them. You can thank me later :)

I've read all of these books before purchasing this set but I now have one to call mine. I have a bad habit of loaning all my John Green books to people and not getting them back, this set will be mine. The quality is fantastic *Looking for Alaska* and *The Fault in our Stars* are both signed and the "box" it's self is covered in quotes and bits from the stories. A must have for all John Green fans.

I just got these in the mail. Decided to buy myself some books for christmas. (What bookworm doesn't?!) If you've never read any of John Green's books this box set is absolutely perfect. Both *Looking for Alaska* and *The Fault in our Stars* were signed. Massive thanks to John Green. Im super happy with this order. Also it got here super fast!

My review is about the physical condition of the boxed set, not about the book content / stories. The boxed set has two signed copies, but I was disappointed at the quality of the boxed set, since it has a tear on it. Luckily, is willing to replace it.

If you're a John Green fan, I recommend getting this box set, It's awesome and you won't regret it.

It's just perfect...I couldn't be more excited...both "The Fault in Our Stars" and "Looking for Alaska" signed with green and blue sharpies...and the box is beautiful, all covered in quotes and doodles :) I absolutely love this box set...I think I'm going to start my John Green marathon :)

I am a parent of two boys who don't like to read. When "The Fault in Our Stars" came out, my son ended up reading the book on his own. I was surprised because he often lets me know how much he dislikes reading. He commented on how he liked to way John Green wrote. In my head I thought, "YIPPEE"! I have been waiting for this. When he asked for the John Green boxed set I jumped at the chance to buy it. He ended up reading all of the books and really liked them. My other son still doesn't like to read, but one of out two isn't bad!

I read all these books on my kindle but I loved them so much that I decided to buy them all. I saw this on and jumped on the opportunity to have 2 signed copies of his works! AND I GOT A HANKLERFISH TFIOS!! This has made my year.
