Truth Unplugged: Answers For Teens (God's Little Treasures Easelette Series)

Synopsis

Where can teens go for answers to the tough issues they face? Truth Unplugged - Straight Talk for Teens gives a teen facts and solid advice about the experiences that confront them in the hall on the way to class, in the parking lot after school, and at a friend's house - things like why not smoke, how to relate to the opposite sex, how to cope with harassment from a bully, or even what to do when a friend gets really low and talks about dying. These important questions come straight from their peers and are answered with sound, godly wisdom that will help teens make good decisions - and defend those decisions under pressure while growing closer to God.
