## **Customer Reviews**

The world is filled with things that may change how you are. "The Purity Code: God's Plan for Sex and Your Body" is a heavily Christian influenced guide aimed at preteens and young teenagers about the conflicts with faith that spring up around that age. Encouraging children to find their faith and retain their faith toward the many 'impure' influences of the world, "The Purity Code" is a consideration for Christian parents who want to keep their children to their values as they age.

Excellent format (each read a chapter, discuss that chapter's questions). Direct and current language but doesn't end up trying so hard to be hip that it misses the point. Shares the truth about God's intent for the gift of sex and how to reap the full benefits of that gift. The practical application of "how" to remain purer (thus enjoying more of the blessing) than the world would have you believe is possible, is invaluable.

As a youth pastor and parent of pre-teens, I have dived into this subject and find Jim Burn's book to be a great tool for a parent to read and discuss with their children. He stays grounded in the Bible, and tackles this in an age-appropriate way that is culturally relevant and aware.

My husband and I read this book to our 11 and 13 year old sons. We discussed each chapter. We thought it was a very good, balanced approach at purity, gives the basic sex information, changes, puberty, std's, porn info. We liked the chapters on bouncing eyes, purity, emotions, respect towards opposite sex, etc. It is decidedly Christian, and conservative, and definitely promotes abstinence before marriage.

This is definitely an Awesome Biblical Educational Tool for Teaching Abstinence! Every pre-teen should have one of these books and every parent should have a desire to teach such biblical principles regarding the importance of abstinence for our youth.

Our 13 year-old daughter read this book, section by section and my husband and I sat down with her (individually) to discuss. The first section was very difficult, but then it got easier and easier. I realized that we really opened up communication about a subject that is difficult to talk about with our kids. We are very grateful for this book and were thrilled that our daughter was ready to take the "pledge of purity". I know we have many years ahead, but I feel this book helped establish the rock to build on. Like Jesus said - Build your house on The Rock - not sand. This book is really The Rock for us... Thanks Jim Burns!

This is a must read for parents and tweens. I am reading it with my 11 old daughter. It is a great way to teach and explain our values!!

This is an excellent book for teens. I highly recommend it. I wish this book was available when I was raising our daughter.
